Raukura's Tenth Birthday

# Message from the Chairman Wellington Tenth's Trust, Anaru Smiler

“ Tēnā koutou,  
ka nui te mihi ”

I trust you and your whānau had a restful break over the Christmas period and we look forward to another fantastic year ahead.

The team are prepared for another busy year within the Trust and are working with our auditors to finalise the financial year accounts to 31 March 2021.

Living with COVID-19 in what is described as our new normal has presented some challenges that the Trust will continue to work through. The impact I am pleased to advise has not been as great as anticipated. We look forward to presenting to you at our Annual General Meeting in September at Te Raukura, Te Wharewaka o Pōneke.

Trustees continue to work through our strategic plan approach of four pou: Te Pou Whenua, Te Pou Whānau, Te Pou Mana and Te Pou Pūtea. Our four pou were at the forefront of our mind as we presented to an audience on Waitangi Day gathered to celebrate the 10th Birthday of Te Raukura, Te Wharewaka o Pōneke on Saturday 6 February 2021.

On behalf of Trustees and myself we look forward to sharing our future success with you all in the next issue of our newsletter and providing an update on plans for the Annual General Meeting and elections.

Ngā mihi kia koutou.

# Message from the Chairman Palmerston North Māori Reserve Trust, Liz Mellish, MNZM

“ Tēnā koutou,  
tēnā koutou,  
tēnā koutou  
katoa ”

I trust you and your whānau have experienced a restful summer break and you have had an opportunity to recharge the mind, body and soul as we find ourselves heading at great pace towards the end of the financial year. The team here at Hikoikoi Management Limited are working hard on the financial reports for auditors and preparation for our 2021 Annual General Meetings.

I am pleased to say that despite COVID-19 all our commercial tenants remain in business and we continue to make good progress on our developments which are all on track. With the impending completion of Steve's Tyres early April we look forward to blessing and opening their new premises on Grey Street. As you can see in the pages that follow we have had a very busy summer and it was with great satisfaction and pleasure that we celebrated the 10th birthday of Te Raukura, Te Wharewaka o Pōneke on Wellington Waterfront on Saturday 6 February 2021.

I look forward to attending a Housing Summit in Palmerston North with growth in this regional city progressing at great pace. Our future looks extremely positive in this space and we are excited to be sharing this success with you our owners.

Please keep in touch through our staff at Hikoikoi and we will catch up again prior to our Annual General Meeting on 28 August which we intend to hold in Palmerston North.

Ngā mihi kia koutou

# Dividend Distribution

Our annual distribution occurs in late November and payments will only be paid into bank accounts. Therefore your bank account details must be lodged with the Trust as soon as possible to ensure any changes/amendments can be made prior to the annual distribution date. Proof of bank account details must also be provided, examples include a pre-printed bank deposit slip or a copy of a shareholder/s bank statement.

Before a payment is made, the minimum accumulated distribution amount for owners with NZ bank accounts is \$50, and the minimum accumulated distribution for owners with overseas bank accounts is \$100.

For inquiries regarding dividend payments please contact our Database Administrator, Kathleen Thompson on **0508 445 645**, if in Wellington call **473 2502**, or email Kathleen at **info@tekau.maori.nz**

# AGM Save the Date

Transport will be arranged for our owners. Transportation details will be posted on our website and our Facebook pages closer to the time, and in the next issue of our Newsletter.

# Unclaimed Distribution

# The Dowse reopens Nuku Tewhatewha Aotearoa's last known Ngā Pou o te Kīngitanga

Following an extensive refurbishment, the Dowse Art Museum reopened Nuku Tewhatewha – the only known intact pātaka of seven or eight built as symbols of support for the Kīngitanga (Māori King) movement – to the public on 30 October 2020.

Situated in the heart of the Dowse this permanent display offers visitors a chance to explore the pātaka in a warm and light-filled space with new story-telling graphics, digital and interactive activities, and contemporary artwork.

“Nuku Tewhatewha stands as a tangible symbol of the Māori struggle for freedom and equality in our nation,” says Catherine Love (Te Ātiawa nui nonu, Ngāti Ruanui, Ngā Ruahinerangi, Ngā iwi o Taranaki), descendant of Wiremu Tako Ngātata. “The commitment of the Beetham whānau in caring for and protecting Nuku Tewhatewha, over many years, reflects the shared desire of Wiremu Tako Ngātata and William Beetham for their two peoples, Māori and Pākehā, to live and work together in equality and friendship.”

Nuku Tewhatewha, symbolises a long history of Māori leadership and land rights and is one of Te Awakairangi Hutt Valley's greatest taonga. Commissioned by Wiremu Tako Ngātata (Te Ātiawa, Ngāti Ruanui, Ngā Ruahinerangi, Ngā iwi o Taranaki) and built in 1856 under master carver Te Heuheu Tūkino IV (Horonuku), he is one of the buildings created in support of the Kīngitanga Movement – and the only one that survives intact today. Nuku Tewhatewha was returned to Te Awakairangi in 1982 after being in the care of the Beetham whānau for over 90 years.

The Dowse Art Museum is a free public gallery for people to enjoy contemporary art and culture. Open 10am – 5pm daily, The Dowse is located at 45 Laings Road in Lower Hutt, just a 15 minute drive from Wellington City.

# Nau Mai, Haere Mai 'Eruera Love Lane'

**On Friday 26 March 2021 this Lower Hutt Street was unveiled at a ceremony attended by members of the Love whānau. Named in honour of Lieutenant Colonel Eruera (Edward) Te Whiti Rongomai Love, MID the first Māori commanding officer of 28th Māori Battalion in World War II.**

Eruera commanded the battalion twice, once as a captain after the commanding officer (CO) was wounded in November 1940 and eventually in 1942 as the appointed commanding officer. He was widely acknowledged as a strong leader in and outside the battalion. He died of wounds received in action, on 12 July 1942.

Lieutenant Colonel Eruera (Edward) Te Whiti Love's parents moved from their sheep station, Homebush, on Arapawa Island to Petone in 1911, and established the family home, Taumata, at Korokoro.

He attended Petone West School and joined the cadets aged 11, moving to the Territorial Force in 1922. By May 1926 he had reached the rank of second lieutenant. He studied law at Victoria University College in 1924 and 1925 and became an interpreter with the Native Land Court.

Eruera rowed with the Petone Rowing Club and played in the local Māori cricket XI, but it was in rugby that he excelled. He played for the Petone Club, then for Wellington. He was a member of the 1925 and 1926 Māori All Black teams, the second of which toured France, Britain, Canada, Australia and Ceylon (Sri Lanka).

Colonel Love is doubly honoured as Te Whiti Grove, Korokoro, Lower Hutt, and Te Whiti Park, Waiwhetu is also named after him.

## Aotearoa welcomes APEC 2021

**Join, Work, Grow, Together.  
Haumi ē, Hui ē, Tāiki ē.**

During 2021 New Zealand is hosting APEC (Asia-Pacific Economic Cooperation) virtually. In December 2020 representatives from APEC economies were given a formal pōwhiri by Te Ātiawa, with a number of Government ministers welcoming representatives from across the APEC region at Te Raukura, Te Wharewaka o Pōneke. As we plan for recovery from COVID-19, it is APEC, the most dynamic regional economy in the world, that will help us rebuild. There has never been a more important time to join together and share our culture with the world utilising technology.

# Pitopito Kōrero

## Hari huri tau Te Raukura, Te Wharewaka o Pōneke

Opened on Waitangi Day 2011 Te Raukura, Te Wharewaka o Pōneke is a striking addition to the Taranaki precinct on Wellington's Waterfront. Te Raukura restores a physical Māori presence for Te Ātiawa ki Te Whanganui a Tara missing since the 1880's when the site was on the harbour edge of Te Aro Pā.

# Waitangi Day Te Whanganui a Tara

**What a fantastic day celebrating Waitangi Day and Te Raukura's Tenth Birthday in Te Whanganui a Tara. Some of the highlights included Waitangi Day breakfast and our waka 'Te Rerenga Kōtare and Te Hononga' taking centre stage on Whairepo Lagoon as part of the formal opening ceremony for the city.**

Activities were provided for the whānau by Hutt City Council while students from Wellington High School associated with Hikoikoi Waka ama Club provided an opportunity for the public to try waka ama.

Our Kapa Haka Rōpū from Wellington East Girls College entertained the crowds and supported our kaumātua

during the opening, while Te Rōpū Raranga o Manaia (Hikoikoi weavers) demonstrated the art of raranga while showcasing their work during the day. Our thanks to our Trusts, Hutt City Council, Wellington City Council and Ministry of Culture and Heritage for the support along with Karaka Café, AV Media and others who made the day possible.

# Kura Ahurea

## Māori Language and Education Programme

**Kura Ahurea is our Māori language and education programme supporting primary schools within our rohe.**

Location-based history and a connection with local iwi are areas of focus for many schools, especially since the Government's recent introduction of Aotearoa New Zealand Histories to the curriculum.

Kura Ahurea is an education programme which provides a Te Ātiawa ki Te Whanganui a Tara/ Taranaki Whānui perspective on local historical narratives, tikanga and kawa. We welcomed 22 new schools to the programme at a mihi whakatau held at Hikoikoi in February 2021.

Since the inception of Kura Ahurea, we now have a total of 41 schools participating, 19 in Wellington, 15 in Lower Hutt and 7 in Upper Hutt. This is a fantastic rate of growth since the programme began in 2018 with just 5 pilot schools and this growth means our programme now reaches over 11,817 students and their whānau.

Kura Ahurea combines teaching te Reo Māori alongside waiata and local history narratives. When schools join the programme they receive a pack of teaching resources which include activities, games, songs, and beautifully illustrated stories.

As many as 90 teachers from participating schools attend quarterly hui to receive the necessary training and support they need to deliver the programme. Teachers have said 'Kura Ahurea has the potential to fundamentally change our schools' culture, and positively impact on our collective understanding of and appreciation for Aotearoa's bicultural heritage'.

Our future looks very positive and our team are encouraged by the recent announcements, changes to the NZ Curriculum and opportunities to connect with schools in our rohe.

# Wellington Tenth's Trust Property Developments

Construction of the new villas are progressing well at Village at the Park despite the challenges posed by COVID-19.

Trustees will continue to work on Wellington Tenth's Trust Strategic Plan as presented at our Annual General Meeting 2020 and shown below.

## OUR KAUPAPA

The Trust's purpose is to hold, manage, administrate and distribute the Trust's assets on behalf of present and future owners and whānau.

## OUR MOEMOEĀ

"To grow the connection, prosperity and mana for the owners and their whānau."

## OUR TIKANGA

### Rangatiratanga

We will have sound governance, leadership, tikanga and our values and principles will be sustained and exhibited at all times.

### Manaakitanga

We will acknowledge the mana of others through kindness, hospitality and mutual respect.

### Mahi Tika

We will remain accountable to our owners and whānau by being appropriately transparent in our activities.

### Mahi Pono

We will hold ourselves to high ethical and moral standards, upholding the integrity of the Trust in everything we do.

### Kaitiakitanga

We will embrace our spiritual and cultural guardianship of the environment around us and everything in it, to create clean, safe and healthy surroundings for our Iwi, Hapū and Aotearoa. We will support and promote the protection of our natural environment.

## OUR POU

### Te Pou Whānau Connect our Whānau

- Regularly connect with broader whānau
- Invest in developing our whānau

### Te Pou Mana Uphold our Mana

- Know and share who you are
- Grow our Te Ātiawatanga and our Taranaki Whānau

### Te Pou Whenua Maintain our Connection

- Maintain a connection through investment
- Increase visibility, capture and share knowledge

### Te Pou Pūtea Creating Wealth

- Increase cash revenue from \$5M to \$7M by 2025/26

# Palmerston North Māori Reserve Trust Property Developments

## Steve's Tyre Services

Construction has been progressing on this site, 67-71 Grey Street, and we are currently on track for completion in April. We look forward to the opening and blessing of Steve's Tyre Services operation.

## Other Developments

We are pleased to report our development at 152-166 Rangitikei Street is also progressing well with an anticipated completion date of early 2022. This property backs onto Tikei Mall, providing a good return to owners.

Plans are well underway to build nine double bedroom units on the existing site at Baxters Limited. It is anticipated that these units will continue to be rented by students at Massey and more specifically their whānau who will be with them as they complete postgraduate study.

Kia ora, my name is Maree. I am in my final year studying towards a Degree in Counselling and Addiction Practice and are currently on placement at Ngā Tekau Alcohol and Drug Service at Hikoikoi. I am also a student affiliate of the New Zealand Association of Counsellors.

I volunteer as a Support Meeting Facilitator with SANDS (Still Born and New Born Death Support) Wellington/Hutt Valley as well as volunteering on the Crisis Line for Kokiri Women's Refuge.

# Te Reo Māori Flourishing at Hikoikoi

**Tōku Reo Trust has had a very good start to the year which is a nice change from the ups and downs of 2020 and COVID 19.**

We currently have 52 whānau attending our reo community Te Puna Ihi Manaaki. We are very encouraged by the number of people who are actively learning and using reo Māori in their homes, workplaces and the community. Our roll is made up of 77% Māori whānau who have committed to using reo with tamariki and future generations.

In recent feedback surveys Tōku Reo Trust has conducted, over 90% of whānau reported an increased use of reo Māori. The majority of these whānau use their reo with twenty or more people on a weekly basis meaning there has been a far-reaching effect on the wider community.

Over 52% of whānau indicated their reo proficiency has gone from basic ability to competent ability in as little as two to three years. Members of the reo community include teachers, councillors, community leaders, lecturers, psychiatrists, stay at home parents, kaumātua, university students and high school students, community workers and public servants. The age range of our rōpū is 12 to 67yrs.

Te Puna Ihi Manaaki started in January this year with our summer school or Kura Raumati. During this kura we taught the maramataka Māori and Kaupeka o te tau. Future wananga will be held to share kōrero with kaumātua and whānau as we are very keen to engage with the iwi around local stories, histories and traditions adding to the richness of the experience of learning amongst the mana whenua.

This year, we aim to participate in Mahuru Māori, encouraging all of our whānau to put language plans in place during the month of September to increase opportunities and exposure to reo Māori. This matariki we would also like to have a celebration with the

whānau, perhaps a whānau day on the beach.

The maara continues to produce hua. Whilst in Level 1 we welcome any whānau to harvest kai that is growing. We currently have kamokamo, sweet peas, tomatoes, capsicum, carrots and zucchinis.

After lockdown we have slowly restored the garden using a technique known as bokashi. Bokashi acts to 'pickle' food waste that produces a highly productive compost.

## Kaumātua in the Whare

**Following the long period of Covid-19 lockdown a wonderful celebration of being together for the festive season was held on Wednesday 18 November 2020 for our kaumātua.**

PNMRT Chair Liz Mellish and WTT Trustee Richard Te One Senior, with Hikoikoi staff, hosted twenty six guests in Whare Raumati to Christmas kai and entertainment. The happiness of our local kuia and koroua was evident in their pleasure of finally being with one another once again following the many months of staying home and staying safe.

Good food, great company, singing and line dancing ensured a lovely afternoon was had by all. Fortunately our lockdown levels favour the return of our kaumātua to Hikoikoi and regular Monday morning hui commenced in March 2021.

Tanea Pahina, our Kaumātua Health and Wellbeing Co-ordinator, joined us on 29 March 2021. Tanea's background and skills have been in Health and Social Services working with communities, kaumātua and tamariki. Just the credentials required to develop and implement a suitable

programme for our kaumātua with a focus on their health and well-being. She is also an amazing entertainer – he korokoro tūia. Tanea is well known within the Hutt Valley community, many of our kaumātua have already enjoyed her tautoko, and we are excited to have her on board.

If you have kaumātua who would be interested in being part of this vibrant rōpū please contact Tanea at [tanea@tekau.maori.nz](mailto:tanea@tekau.maori.nz)
